**“NEW” Now Available in 3” x 3” x 4’ & 8’ Lengths**

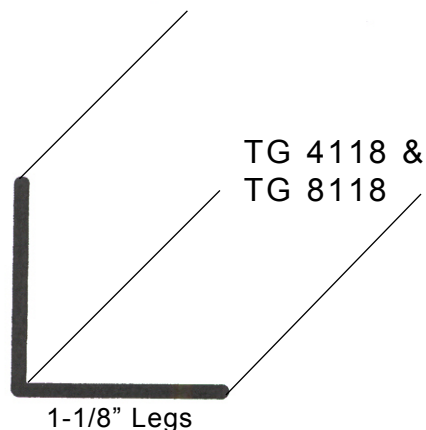

*NOTE: Custom Lengths, Drilling or Tape are Available Special Order. No Minimum.*

**CORNER GUARDS** Corners, wall ends & partitions are especially subject to impact abuse. Every corner Eagle Mouldings sells is made of Lexan -the near indestructible poly carbonate material used in car bumpers, among other things. Clear Lexan corner guards are guaranteed to last for years without cracking, chipping, warping, or yellowing. Installed with screws or brads (included).

TG8212- (Color)	2-1/2"	8'	Colored Lexan Corner

**Advantages of Colored Corners.**

- Because you can't see through it, there is no need to patch any imperfections that your wall may have.
- Can be glued on eliminating the need for screws resulting in a cleaner look. Custom lengths, drilling or tape are available special order.
