**Eagle Mouldings, Inc. Announces New Ownership**

*Specialty aluminum trims and extrusions distributor in Maple Grove, Minnesota,  
poised for growth under the direction of new owners*

Maple Grove, MN—After 20 years of success and consistent growth, Eagle Mouldings, Inc. is entering a new phase of development under the direction of new owners Thor Smith and Mike Kelly.

Eagle Mouldings' core business – as a supplier of specialty aluminum trims and extrusions – will remain integral to the company. The new executive team's strategic plan is to increase revenue and product breadth significantly through a more sophisticated approach to sales, marketing and business management.

Currently, Eagle Mouldings provides a large variety of aluminum trims and extrusions to a broad range of industries, including:

- Commercial and retail building and remodeling contractors
- Commercial and residential architects and designers
- Woodworking and cabinet shops
- Display and signage manufacturing and installation companies
- Rescue and vocational vehicle manufacturers
- Municipalities, schools and other governmental entities
- Railing, deck and fence builders
- Boat repair shops
- Marine dock and boat lift manufacturers
- Awning manufacturing and installation companies
- Designers of nostalgic 1950s environments

“In Eagle Mouldings, we see a solid business model, with proven success, in an industry we feel demonstrates the potential for stable growth,” remarked Thor Smith. “We expect increased use of aluminum as a sustainable building and manufacturing component.”

Thor Smith will focus primarily on operational aspects at Eagle Mouldings, leveraging his 17 years of experience in business development in a variety of industries. Mike Kelly's

primary focus will be on improved customer service and communication. He will apply his 19 years of sales, management, customer service and communication experience to these goals.

“Much of our success to date can be attributed to responsiveness to our customer's needs. We intend to strengthen customer relationships through effective communication, streamlined purchasing and providing assistance in all segments of the buying process of aluminum trims and extrusions,” says Mike Kelly.

Thor Smith and Mike Kelly have been working closely with the previous owner, Lyle Schoelkoph, to assure clients continue receiving the service they expect from Eagle Mouldings.

About Eagle Mouldings, Inc.

Founded in 1989, Eagle Mouldings is a single-source supplier of custom and hard-to-find aluminum trims and extrusions, as well as standard aluminum shapes. Eagle Mouldings provides its customers with access to over 10,000 dies and shapes, through an exclusive network of the industry's top extruders. These relationships enable Eagle Mouldings to deliver on their promise of fast turnaround, competitive pricing and personalized customer service. Eagle Mouldings distributes its products to customers across North America, from its central offices in Maple Grove, Minnesota.
